

Craft Bartender

Position Summary

At The Foundry, bartenders are artisans and storytellers. Every cocktail represents our relentless pursuit of excellence — crafted with precision, balanced with intention, and served with genuine hospitality. We never cut corners: only the best ingredients, house-made components, and thoughtful execution make it into the glass. - Uphold mise en place: bar fully stocked, organized, clean, and visually sharp.
- Partner with servers and the kitchen team to create a seamless, guest-first experience.
- Model responsible alcohol service at all times.

Qualifications

- Prior bartending experience required — craft cocktail background strongly preferred.
- Proven knowledge of classic and modern cocktails, spirits, and bar technique.
- Must be at least 21 years of age; certification in responsible alcohol service required (or ability to obtain).

Hospitality Lens

You're not just making drinks — you're curating experiences. Guests should feel they've been cared for by a professional who takes pride in doing things the right way, never the easy way.
