WHY DO YOU THEY NEED ME?

- COVID19 has placed extra pressure on families.
- Some students aren't in school full-time or at all right now.
- Families need support for their children to remain academically, socially, and emotionally successful and engaged.

WHAT WOULD I DO?

- Be matched with a student mentee to help and have fun with!
- Have check-ins and/or meet-ups with your student mentee for;
 - one school year
 - approx. 1hr per week. (2x 30 mins, 1x 1hr, short text messages, etc - it's really up to you and your mentee!)
- Participate in basic mentor training
- Be fully supported by Partners in Routt County for every mentoring need.
