Program Overview

As a part of the Community Based Mentoring program, Activity Volunteers and Partners program staff provide activities throughout the year for youth who are "next in line" while they wait for a Community Based Mentor.

Program Benefits

- Ongoing case management for youth and their families
- Fun and engaging events offered while youth are waiting to be matched with a mentor
- Opportunities to build peer connections and social skills
- Positive interactions with safe, trusted adults through structured activities
- Support from Activity Volunteers – trusted, fully vetted, and trained adults who assist Partners Case Managers during group activities

Referral Process

Youth are referred to the program by professionals in the community, such as school counselors, therapists, Department of Human Services, and others.
