Pre-Ballot General Notice of the 2026 Annual Meeting of the Members

Whereas there are two candidates (Marshall Martin and Sara Tabrizi) running for two Board positions and they are therefore running unopposed, there will be no need for a ballot election this year. The two candidates will be affirmed by acclamation at the Board of Directors meeting that is currently scheduled for October 29, 2026. The agenda for that meeting will be posted on October 22, 2026.
