

LITTLE LEARNERS OUTDOORS

PARENTS DAY OUT FOR AGES 3-6

AUGUST - MAY

8:30 AM-12:30 PM

2 DAYS- \$275/MONTH

4 DAYS- \$475/MONTH

Little Learners Outdoors is a learner centered, play based program. We approach learning holistically so that little learners can develop cognitive, physical, and emotional skills. All of our learning takes place in the most natural classroom setting...outdoors!

Throughout the day little learners will have the opportunity to develop literacy and math skills while also learning to protect and appreciate nature. Our learners will participate in nature hikes, read alouds, and journaling all while investigating the great outdoors.
