

September Mission: Childhood Cancer Awareness

- September is Childhood Cancer Awareness Month and GOLD is the awareness color.
- Let's GO FOR GOLD!**
- Work with your school admin team
- Mission Levels:**
 - Mission Level 1:**
 - Decorate your school with Gold Ribbons, Flags, Posters, Signs, etc.
 - Mission Level 2:** (including Mission Level 1)
 - Designate a GOLD SHIRT day and/or a GOLD SOCKS day
 - Provide gold pin/ribbons for your PTA Team and school- teachers and staff to wear for the month
 - Provide gold wristbands for students
 - Mission Level 3:** (including Mission Levels 1 and 2)
 - Stomp Out Cancer!
 - Designate a day where students wear a gold shirt and gold socks, rollout large piece of large bubble wrap, write/paint the word cancer on it, students get to stomp on the bubble wrap, stomping out cancer!
 - Could do all students or students who dress up get their name entered in an opportunity drawing, suggest by grade/class to have the most amount of students possible to stomp out cancer. If numbers permit, treat could be gold pencil and/or gold candy.
 - Or what is your great idea to GO FOR GOLD????

SHAREWORTHY: IT WILL MAKE YOU SMILE AND CRY ALL AT THE SAME TIME.
[Kelly Clarkson's 'Stronger' Brings Hope to Young Cancer Patients in Viral Video](#)

SEPTEMBER IS
CHILDHOOD CANCER AWARENESS MONTH

More children are lost to cancer in the U.S. than any other disease.¹

Less than 4% of the National Cancer Institute's annual budget for cancer research is dedicated to childhood cancers.²

There are 12 types of childhood cancer, and more than 100 subtypes.²

Leukemia, lymphoma, and brain tumors are some of the most common cancers found in children.

Because of advances in science, more than 80% of children with cancer now survive five years or more.³

SOURCES:
 1. St. Balduick's Foundation.
 2. Alex's Lemonade Stand.
 3. American Cancer Society.

cure

CANCER IS THE #1 KILLER OF CHILDREN UNDER 14

It kills more kids than AIDS, Asthma, Juvenile Diabetes, Congenital Anomalies & Cystic Fibrosis combined.

46 / 7 **EVERY DAY IN THE USA**
 46 kids are diagnosed with cancer and 7 kids go to heaven (259 worldwide)

1 in 5
 kids diagnosed with cancer won't get the opportunity to grow up, graduate school, or just be a kid...

EVERY 3 MINUTES a family is told their child has CANCER

300,000
 Children are battling worldwide... some with no treatment options

66% **4%**
 Children make up 66% of our population, but currently they only get 4% of the funds budgeted for new research

At our last meeting, we had the privilege of hearing from a group of local mom of kids who have and had cancer. One of the moms, Christen Peterson shared with us a video of the one year anniversary of her son's brain tumor.
 This is that video:
<https://youtu.be/fBq4CNOg6aU>

September Mission: Childhood Cancer Awareness- **additional ways to support the mission**

- **Increase awareness and understanding**
 - Increase the visual awareness but also increase the mental awareness and share the following with your Board, Association, and own family:
 - National Cancer Institute: Common Cancer Myths and Misperceptions
 - <https://www.cancer.gov/about-cancer/causes-prevention/risk/myths>
 - Leukemia & Lymphoma Society: Kids Like You
 - <https://youtu.be/hiFffY9Znhc>
 - CBS Sunday Morning: New hope for children with cancer
 - <https://youtu.be/youBKOPpX7y4>
 - BrainPop (good for teachers and parents to share with kids, must have a login to watch)
 - <https://www.brainpop.com/health/diseasesinjuriesandconditions/cancer/>

EVERY DAY, 
43 KIDS ARE DIAGNOSED
WITH CANCER IN THE U.S.

Go for Gold

**Put up GOLD ribbons around your school,
Put up GOLD ribbons around the community
Put up GOLD ribbons in your neighborhood
and around your home.**

The story of Tyler Butler-Figueroa and his Journey to the America's Got Talent live shows

<https://youtu.be/BKOv6Hah5sE>

Before his audition, the North Carolina native revealed he started playing the violin when he was seven because he was being bullied at school. When asked by judge Julianne Hough why he was being bullied, Tyler gave a heartbreaking response. "It's because I had cancer. I almost died," he responded.

September Mission

Riverview Elementary PTA
involved the students and staff to
stomp out childhood cancer

In the
Spotlight

September Mission

Temescal Valley Elementary PTA

PTA Team was a visible presence on campus wearing gold/yellow and sporting the letters "NEGU" NEVER EVER GIVE UP!

In the Spotlight

10 days and 800 more photos to go!!! Please join the hand raise challenge!!! WRITE "i negu" on your palms. TAKE a pic. POST it on social media. HASHTAG [#inegudoyou](https://www.instagram.com/inegudoyou). 2000 photos means 2000 kids fighting cancer get a JoyJar!

Ongoing Mission: United Against Bullying

- **Share the CNUSD Bullying Prevention and Safety information with your Board, Parents, Teachers, and Association.**
 - <https://www.cnusd.k12.ca.us/cms/One.aspx?portalId=211960&pageId=1953218>
- **Look for the “Be a Buddy, Not a Bully” posters at your school.**
- **Share this with your board and teachers**
 - **PBS Org 9 Tips for Teaching Kindness in the classroom**
 - https://www.pbs.org/education/blog/9-tips-for-teaching-kindness-in-the-classroom?utm_campaign=school_2019&utm_content=1566866400&utm_medium=social&utm_source=facebook&fbclid=IwAR33tQdxhAKdbIjzXB0R4m54HvCZ7C67RS7S8TviJvmtVW5SLhra8t4sq45M
- **Ask your Principal, Assistant Principal, and School Counselor how you and the PTA can help**
 - **Supporting Bullying Prevention**
 - **Suggestions:**
 - **For Elementary Schools**
 - **Have each class create a “United Against Bullying” poster, all students and teacher sign it, to display prominently at school, take class pictures**
 - **Host door decorating contest using “Be a Buddy, Not a Bully” theme**
 - **For Middle and High Schools**
 - **Have each group/club/team create a “United Against Bullying” poster, take group pictures**
 - **Host contest for students to develop “Be a Buddy, Not a Bully” song, jingle, commercial, skit**

- **Supporting a Kindness Campaign**
 - **Suggestions:**
 - **Designate every 11th school day of the month as K day-Kindness Day**
 - **Wear Tshirts with Positive Message, Do random acts of kindness**
 - **Ask your school librarian what books/stories are in the library on kindness.**
 - **Could your librarian put the Kindness books on display?**
 - **Develop campus campaign to encourage JUST ONE random act of kindness per month-**
 - **IF EVERY STUDENT IN CNUSD DID ONE RANDOM ACT OF KINDNESS BE MONTH THAT WOULD BE OVER 54,000 ACTS OF KINDNESS EACH MONTH...WHAT A WONDERFUL WORLD THAT WOULD BE.**

Mission Levels:

- **Level 1- Create a large poster of the Yellow and Blue “United Against Bullying” logo and display it prominently at your school.**
 - **Have PTA Board members, teachers, parents, and students sign the poster-committing to being UNITED AGAINST BOULLYING**
- **Level 2-Create a large poster (as noted above) AND meet with your Admin team to discuss how PTA can help with Bullying Prevention on at your school.**
 - **Send email to VP of Advocacy with plan of what your PTA is going to do to help.**
- **Level 3-Create a large poster (as noted above) AND meet with Admin Team AND roll plan out to your PTA Board as to how PTA will be involved in the Bullying Prevention Campaign at your school.**
 - **Send email to VP of Advocacy with plan of what your PTA is going to do to help as part of your Board meeting minutes.**

Advocacy in Action: From CAPTA: PARENTS KNOW SCIENCE IS IMPORTANT.

Science is the S in STEAM — the acronym now often used when people want to talk about science, technology, engineering, art and math as a set of connected school subjects.

In a PTA-sponsored survey of parents throughout California, 9 out of 10 parents agreed that learning science is equally important as reading, writing and math. Parents know science matters but only about half said they were satisfied with the amount of science education their child was getting in school. Many people hope that the state's on-going work to transform how schools teach science will help change that. California schools are taking a new approach to science, thanks to the state's adoption of the Next Generation Science Standards (NGSS). The standards call on schools to introduce science to students beginning in kindergarten in order to fuel kids' innate curiosity and ignite a lifelong interest in science and engineering. That's especially important for students who don't think of themselves as "science kids."

(Read the report).
