

Corona-Norco Council of PTAS

August 2025

Welcome Team!

PTA/PTSA team! Get ready to lace up your sneakers and bring your A-game because we're about to kick off an exciting season of teamwork, fun and school spirit. Just like an all-star team your energy and enthusiasm are the secret plays that make our school community thrive. Together we're scoring big by creating a positive engaging environment where every student can shine and every parent can be a champion.

We're thrilled to announce our first official board meeting on August 14th at the CNUSD Boardroom! Remember, every president needs to be in attendance—if you're unable to make it please send a voting delegate to represent your unit. This year we will be following up on attendance with your school site so please make your arrangements now to ensure everyone's on board.

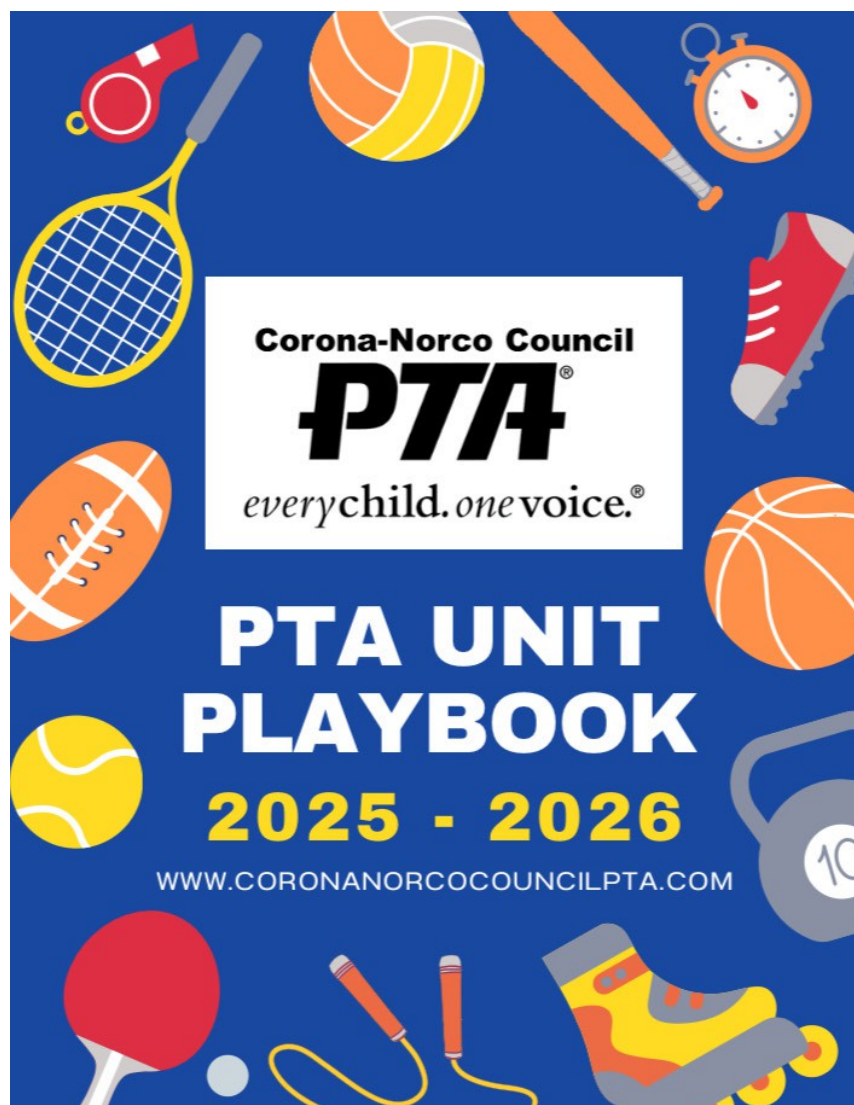

Missed Training? Don't worry we are hosting our last in-person training event on the evening of August 21st! If you haven't been trained yet be sure to register using the link below. CAPTA requires that officers are trained every year in both their specific position and general finance—so share this info with all your volunteers! Remember if they help handle PTA money they must be PTA trained to keep everything running smoothly.

We're excited for a great start to a wonderful memory-making year for the students and families in CNUSD. Let's gear up for an incredible year filled with teamwork, success and unforgettable moments!
