

Corona-Norco Council of PTAs

September 2025 - Go Gold! Childhood Cancer Awareness Month

Welcome to the New School Year — Let's Kick Off with Exciting Events! 🥁 🎉

PTA/PTSA Leaders,

September is Childhood Cancer Awareness Month and we're excited to see all the GOLD RIBBONS and GOLD OUT events your schools have planned — let's rally together to support our brave kiddos and their families! 💖

Thank you to everyone who attended our recent PTA trainings. We're thrilled to support your leadership journey! CNCPTA is working on rolling out online training modules for general finance so if you're an officer in need of specific positional training please don't hesitate to reach out to us at leadership@coronanorcocouncilpta.com. We're here to help you score big!

Mark your calendars for our first Association meeting of the year on Monday, September 8th at 9:30 a.m.! Invite your officers — principals will be in attendance and it's a great opportunity to kick off the season with a winning team effort.

Get ready for our Parent taught, bought and led School Smarts Academy starting September 15th at Garretson Elementary 9:15 a.m. This once-a-week, 6-week training is your playbook for understanding how our public school system works — empowering you to advocate for all students in CNUSD. Be sure to register using the link below to reserve your spot!

And don't forget to join us for our FREE Red Ribbon Kickoff Event on September 27th for a private screening of Gabby's Playhouse: The Movie. It's a fantastic way to end Childhood Cancer Awareness Month and welcome Red Ribbon Week. Seats are limited so be sure to register your family ASAP!

Let's continue to hit the ground running this season! Together we're champions for our students and community!

Warm regards,

CNCPTA Leadership Team

The California State PTA's mission is to positively impact the lives of all children and families.

The School Smarts Parent Engagement Program is a model for creating meaningful and diverse parent involvement. It brings parents from all backgrounds together in support of their common interest: helping their children and schools succeed.

School Smarts is an award-winning, research-based program proven to:

- Foster parent engagement in schools
- Support parents as children's first teachers
- Develop future parent leaders
- Encourage parents to advocate for a complete and quality education that includes the arts

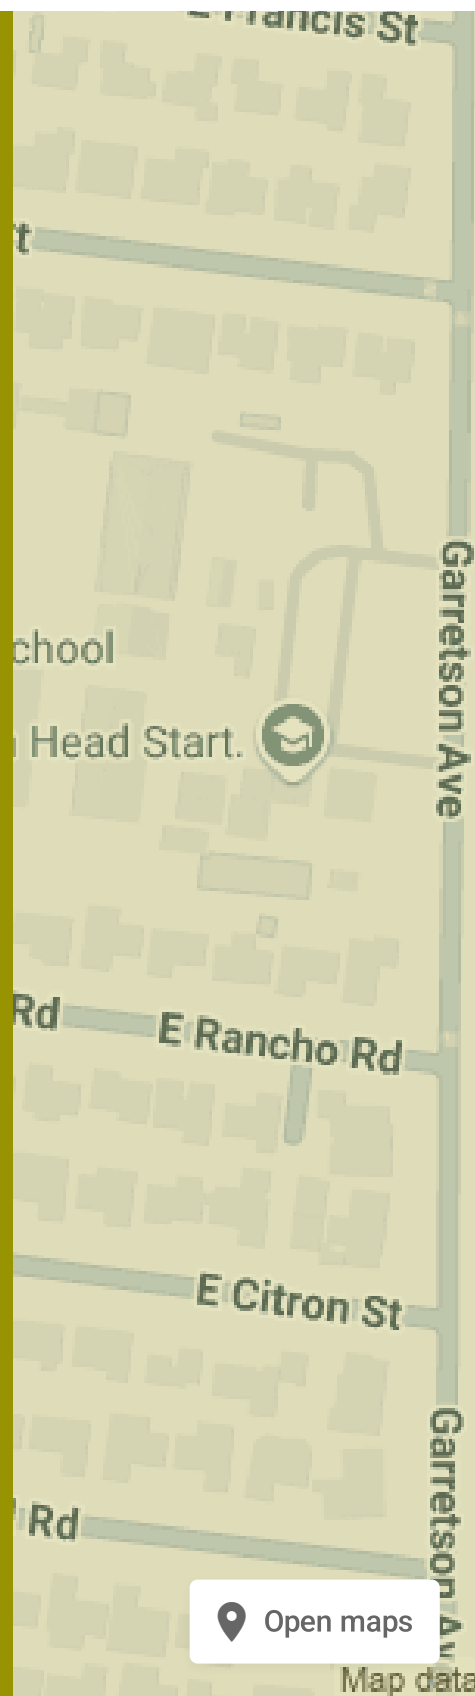

More information on the School Smarts Program can be found on <https://capta.org/programs-events/school-smarts/> and www.coronanorcocouncilpta.com
