

Kids Game Show Package

is a turnkey operation that allows any staff member to run a kid's game show. It's for kids 7-17 years old in after school programs. The package includes software, step-by-step scripts, trivia questions, video content, props, and a short training video. There's enough content for dozens of game shows.

Tech support, one-year license, and 30-day money back guarantee included.
