Intuitive Insights

Transparency

We communicate openly, honestly, and directly. We celebrate good news, but also confront bad news, without looking to assign blame.

Leadership & Accountability

We lead by example, regardless of role, and are highly accountable to one another. When we make commitments, the commitments matter, and we do our best to meet them.

The Golden Rule

We are intensely collaborative and treat one another as we want to be treated ourselves - with respect, civility, and empathy.

Speed With Rigor

We blend relentless velocity with data-driven analysis, attention to detail, and an emphasis on quality.

Integrity

We don't compromise our integrity. We do things the right way and don't come close to crossing the line.

Innovation

We always look for ways to improve every aspect of our business and organization. We are never satisfied with the status quo.

Customer Delight

We deliver awesome customer experiences that exceed expectations.
