

ABOUT OUR COMPANY

New Pathways 4 Life, LLC focuses on equipping individuals with developmental needs to live as independently as possible in all avenues of life. Our goal is to support individuals in achieving independence by developing their abilities to the point that they are able to live in the least restrictive environment possible. We believe all people can thrive given the right support to learn in their homes and recreate in their communities. Our purpose is rooted in the Lanterman Act.

“

Know me for my abilities, not my disabilities.
