Our fundraising goal to
support their test prep

Did you know that the University of Iowa School of Social Work has been around for 80 years?

In March, we'll observe National Social Work Month and celebrate our 80th birthday! We invite you to join us by taking part in our GOLDrush fundraiser online. Stop by <http://bit.ly/UISSW80th> to be part of it.

For example, you can help fund our test-prep workshop, which pushes up pass rates—and ensures career preparedness—for our students nearing completion of our MSW program. We offer the online workshop to students in all five of our MSW locations, at no cost to them.

Last year, 94% of our graduating MSW students who took the licensure exam passed on the first try. That's among the highest pass rates in the nation!

**Thank you for
supporting
our students!**
