

Intentions/Values							
What do we want to be?							
<p>To educate, inform and inspire individuals to become successful promoting unity through economic empowerment & advancement. To create a better life for those in underserved communities by developing a mindset that guides them toward specific goals for self-improvement, and to develop a non-quitting spirit to overcome obstacles and to become successful achievers. To encourage citizens of the City of Niagara Falls to collectively participate in their community and improve their neighborhood.</p>
