"This is a short letter of recommendation for John Delarosa. John listed and showed our commercial property in Houston a little over a year ago. He brought several potential tenants for consideration. He was professional, courteous and really good to work with. We felt he kept our best interest at heart and worked hard on our behalf. His perseverance paid off and he brought an offer from an excellent company that we ended up leasing to. We would not hesitate to work with John again and recommend him."
