**PARENT'S DIVER PHOTO/VIDEO IMAGE/LIKENESS
CONSENT FORM**

Your child and young athlete is of utmost importance to you and to us as well. We welcome you into our diving world. Like you, we want what is best for them. And we want them to

feel good about themselves and we feel that getting the positive recognition they deserve is important.

We all recognize the importance of promoting programs, but we especially understand the importance of recognizing our children for their accomplishments and exploits with their peers, their community and the diving community as well. Whether they learn a new skill/dive or win Nationals they deserve recognition. And we plan on doing just that. In this day and age of instant social media, we also recognize privacy issues and want you to know that all USA Diving Coaches are required to undergo a Safe Sport Training course which deals with sports issues of today.

With that understanding, we ask your consent to use photos/videos or images of your diver on our web site/emails or other respected newspapers or news media. We will respect your wishes. Thanks.

~~~~~  
**PARENT CONSENT FORM**

## Osprey ZAP Diving TEAM FEES & COMMITMENT

You do not have to desire to be an Olympian to compete on a USA OR AAU Diving team. You do have to set goals which we will help you with. "Dream It, Believe It, Work it, Achieve It!" You are expected to support our team goals & effort as well. Setting your goals high is important but as the Olympic Creed tells us:

"The most important thing in the Olympic Games is not to win, but to take part. Just as the important thing in life is not the triumph but the struggle. The essential thing is not to have conquered but to have fought well." Baron Pierre de Coubertin - founder of the modern Olympic Games

We want you to flourish in our positive, team-supportive, progress-not-perfection atmosphere. We especially dedicate ourselves to keeping you safe, working hard, developing sound character traits, while having fun!

The difference between Lessons and Team is **desire & commitment**. Once you have completed at least two months of eight two hour lessons in our Future Champions program, you may be invited to join our competitive team. Team involves Novice Divers-beginner divers & Jr. Olympic divers-age group divers who have enough dives to compete in their age group. Once on team, you are expected to compete & continue thru the year: September thru August with your family breaks & vacations dispersed thru the year.

## PARENTS' AGREEMENT & COMMITMENT - FEES

**\$265** per month for new divers & SILVER TEAM; **\$250** per month for all GOLD TEAM divers. Osprey ZAP Diving is a **year-round program**. By signing this contract you are bound to training and paying monthly Sep thru August-depending. Team fees are due by the 5th of each month (for all programs). Late fee of **\$50** applies after the 5th of the month. Please use our new PAY-ON-LINE page on website: [WWW.OSPREYZAPDIVING.COM](http://WWW.OSPREYZAPDIVING.COM) If you cancel or decide to not fulfill your yearly commitment, please respect us with a notice of cancellation at least a month prior to your departure.

### NO REVOLVING DOOR POLICY

\_ No makeups for holy days or holidays, etc. It is your responsibility to get in your recommended number of days. Team has no refunds or \*credits. Dues are not prorated and you must pay before the **5th** of each month. **No revolving door policy allowed. You cannot come in and out of team without penalty/consequence.** Extended absence due to injury or sickness-with a doctor's note is the only exception. With doctors' approval, divers are expected to make practices for dry land and conditioning even if they cannot dive.

\_ **MEET FEES - \$40 per diver** to cover coaching at all meets. Coach's **expenses (lodging, transportation, meals)** are added for traveling/away meets & will be divided up by the number of divers attending. (You are obligated to represent OZD at all meets! **Extreme exceptions are taken into consideration.** e.g.: One-day meet **\$40** per day per diver except for bigger meets which are: **\$150 (minimum) per diver per Regional or Zone Championship Meet. \$200 per National Championship meet.** Miscellaneous costs for team outfitting - prices vary and are usually one-time-yearly: suits, shirts, team backpacks, warmups, etc.

**Osprey ZAP Diving TEAM CODE OF CONDUCT**

While we pride ourselves on building character and improving the overall person...You are the primary reason for your progress & development - as a diver and as a person. To reach your Zenith, Apex, Pinnacle of individual and team performance, you must abide by our code of conduct. You not only represent yourself, your family, you represent your team and we expect you to be an important part of our positive & respected image.

**GENERAL CODE OF CONDUCT:** "Due unto others as you would have others do unto you!"

1. The Three C's (more can be added) - Be Courteous, Considerate & Cooperative at all times. Being nice to others is really simple. a) Listen to learn and learn to listen! Especially do not talk or play around when coach is teaching or coaching. b) 'Please' & 'Thank You' are words we like to hear. Being rude or mean to others will not be tolerated.
2. Support & encourage your teammates at all times. Do not coach your teammates. Only coaches coach. Beaming Positive Energy Beams is encouraged. (you will learn 'the how' when you begin diving:)
3. Respect invites respect! Respect others at all times - teammates, competitors, parents, teachers & coaches. Other divers have practiced and struggled with learning harder dives, just like you. If you are a diver, you know how hard it can be. Respect invites respect!
4. Profanity, smoking, drinking or use of any illegal substance will not be tolerated.

PARENT & DIVER have discussed this Code of Conduct and agree & commit by signing below.

**TEAM PRACTICE RULES** - all of the above & to get the best out of each practice

1. **Listen to Learn & Learn to Listen.** Listen to your 'corrections' and your teammates' corrections too. you can learn each time the coach speaks, honest! We are a wealth of knowledge.
2. Once on the deck, immediately begin your Sun Exercises, stretches, bunny hops, & conditioning before ask- ing coach if you can get in the water or on the boards.
3. **TRY -Test-Retest-Yourself.** Once you get the instructions on what we are working on, do it. It makes you & the coach smile :) at the end of each practice. Be like the "Energizer Bunny" and keep moving, once diver has cleared in front of you.
4. Never talk on the board. It slows down the practice Only the coach can slow down or interrupt practice. Ask questions or socialize while in between dives. Unless asked, parents should not coach or intervene.
5. Supreme FOCUS when it is your turn! Visualize greatness in each dive! **Practice POT-Positive Outcome Thinking**-erase "I can't " from your vocabulary. Start each statement with a positive! "I CAN "really helps!
6. Do not dive at the same time, unless we are practicing synchronized diving. Always make eye contact with divers on the other boards to see who was ready first (be courteous)
7. Make sure everyone is clear and over to the side of pool before going. Coach does not have to be looking directly in the eye to see your dive! He sees everything!
8. Surface quickly & swim quickly out of the way after your dive! Listen to your correction!
9. No balking or stopping on the board. It does not help you or your teammates. You can learn how to make a correction to a dive from a bad take off. (EXCEPTION: if dangerously back on a reverse take off)
10. If you are working hard, you will have fun! **Fun is a by-product of effort & hard work!**

**Feel free to TEXT Coach Jim at 781-264-3212**
