BEST YEAR EVAH!

Four Big Competitions May - July

GREAT MEMORIES! EIGHT total meets this season! It was a whirlwind last few months of the 20-21season. Our dedicated team travelled to Coral Springs, Moultrie, Ga and finally West Virginia University for the AAU Nationals! As it happens, we said goodbye to three of our best: Tristan-Grace & Trinity, but their great memories will make us smile ;). We had EXCEPTIONAL diving & team bonding especially thru the Summer! And this fantastic season was capped off with the best performance evah ;) from our graduating Senior Trinity McNall!

All competition reports are posted on our [OZD website](#).
