### DAY 2 » WINERY TOUR & TAORMINA WALKING TOUR

After breakfast at the Hotel Villa Schuler, we will be transported in comfort to a local family-owned winery on the mineral-rich slopes of Etna. The Etna volcano produces some of Sicily's most prized varietals, including the famous Etna Rosso wine. Here we will enjoy lunch paired with Etna wines.

We will then return to Taormina for an introductory walking tour of the city.

Commonly known as the Pearl of the Ionian Sea, Taormina, develops around an Agorà whose ruins, which are still visible along the street that leads to the theatre, were the settlement of the Roman Forum. In the surroundings, you can admire the ruins of holy and public monuments (the Aphrodite's Temple, the Roman Thermal Baths, and the Odeon).

The tour will be followed by a relaxing evening on own.

Meal: Breakfast & Lunch

### DAY 3 » CATANIA FOOD MARKET & FRESH PASTA-MAKING CLASS

Today, we will transfer by private bus to Catania, where our Sicilian chef will bring our group inside the vibrant (and delicious) Catania Food Market — one of the liveliest open-air daily markets in all of Italy.

Together, we will hunt for the freshest of ingredients for our authentic cooking class with Loredana. You will learn to make fresh cavatelli and many other Southern Italian dishes — all based on what is freshest that day in the market. The dishes we create will be our delicious Sicilian lunch — so be prepared to eat *molto* (a lot!)

After our class and meal, we will return to Taormina, where you will have the evening at leisure to explore the city on your own.

Dinner at leisure and overnight at Villa Schuler.

### DAY 4 » VALLEY OF THE TEMPLES AND FAMIATA DINNER EXPERIENCE

After breakfast and check-out, we will transfer to Agrigento area and check-in at Fontes Episcopi. Before we reach our accommodation for the following 2 nights, we will stop at the Valley of Temples for a private walking tour. We will walk among Greek temples erected over 2000 years ago. The Valley of the Temples is one of the most outstanding examples of Greater Greek art -- representing one of the main historical attractions in all of Sicily.

Famiata experience with dinner at Fontes Episcopi. In Sicily, the wood oven has always been an important element of community, where moments of joy and sharing with friends and family are celebrated around it. In Sicilian the verb Famiare means to light a big flame in the oven until the top turns white. That's the sign the oven is ready. This will be an authentic experience including a hands-on cooking class with a local mum. You will learn how to make some local focaccia or pizza, like the cuddiruni or similar. We will experience a moment of joy and carefree abandon, preparing, chatting, drinking and enjoying good Sicanian food and wine.

Meals: Breakfast, Lunch, & Dinner

You will be in awe by the city's take on “sfincione” -- a fluffy Sicilian pizza topped in local cheese and farm-fresh vegetables.

We will also have lunch based on local products and dishes at Eugenia’s home. We will then head back to our accommodation and spend the afternoon at leisure.
