* 5 Year Warranty

Seagate DuraWrite - Unique lossless data reduction technology designed to increase performance and deliver high-power efficiency while tunable capacity offers the option of performance- or capacity-optimized SSD solutions.

Seagate Secure technology with secure supply chain, SD&D, Seagate Instant Secure Erase, and SED options.

Enterprise

6TB 3.5" 7.2K Enterprise SATA HDD * 256MB * 6GB/s

* 5 Years Warranty

Optimized Enterprise Hard Drive for Bulk-Data Applications

- Highest-capacity large form factor enterprise drive—50% more capacity over last generation with up to 6TB—for demanding data growth
- Fastest high-capacity HDD with best-in-class random and sequential read/write integrity for accurate data storage
- Industry-leading rotational vibration tolerance ensures consistent performance

\$649

HAS-ST6000NM0115

8TB Enterprise 512n 3.5" 7.2K SATA

* 128MB Cache

* 5 Years Warranty

Quickly access and store data with blazingly fast random performance – over 100% faster than last generation HDD.

Efficiently delivers easy integration into replicated and RAID bulk storage systems with 12Gb/s SAS and SATA 6Gb/s interface options

\$719

HSS-ST8000NM0055

10TB

10TB Enterprise SATA HELIUM 3.5" HDD * 12GB/S * 7200RPM * 24x7 data availability

Advanced Write Caching feature for 20% boost in random write performance over last-generation HDDs. Robust wide-weld sealed drive design and field-proven technology for long-term reliability. Protect data where it lives - on the drive - with Seagate Secure® Self-Encrypted Drive technology.

\$999

HSS-ST10000NM0086

Portable

Lightweight, Shock Resistant Design.

LaCie 500GB USB3.1 USB-C External Portable SSD * Black/Orange * 3 Years Warranty

Experience fast editing, backups, and transfers with full-throttle speeds of up to 540 MB/s. And enjoy universal compatibility across Mac, Windows, USB-C, and USB 3.0. LaCie Portable SSD is more than a compact external solid state drive. It's reliable, forward momentum in every possible way. Create content and collaborate confidently with fast SSD speeds.

\$219

HXLA-STHK500800

Backup Drive for Mac Time Machine

LaCie 4TB 2.5" USB3.0 External HDD.

Store and access photos, movies, music, and documents for years to come with up to 4 TB of huge capacity. LaCie USB 3.0 Drive is the perfect complement to Mac® computers and pairs with Time Machine® for automatic computer backups. With transfer speeds of up to 130 MB/s, on-the-go file management is fast and easy.

\$249

HXL-STHY4000800

Rugged Drive for All-Terrain Reliability

LaCie 4TB Rugged Mini * USB 3.0 * IP67-rated extreme water resistance to drop, rain, dust and crush resistance * Aluminum * 2 Years Warranty

Encrypted Drives for Extra Protection. Select Rugged drives come with government-grade AES-256 self-encryption thanks to Seagate Secure™ Technology — ensuring your ideas and hard work stay safe from unauthorised access and intellectual property theft.

Time to change to a new device

page 16

**CHANGE IS GOOD.
THE TIME TO
CHANGE IS NOW.**

Act now

As of January 14, 2020, there is no more support for Windows 7 & Windows Server 2008. Now is the time to shift to a new device.

Offers and prices are available until March 31 2020 or while stocks last. Details correct at time of printing. We reserve the right to correct errors or misprints and to change product specifications. Stocks may vary from store to store. Delivery may be slightly longer in some country areas due to courier delays. Freight charges may apply in some country areas. Onsite Warranty only covers systems (excludes peripherals and software). 12-24 months return base warranty on notebooks, extended warranty available. 12 month warranty on batteries in notebooks and tablets. Prices may subject to change without notice. E&EO. Pictures are only for illustrative purposes. Supplied product may appear different. Actual colours may vary slightly to printed colour. Accessories are for display purposes only and are not included unless specifically nominated. All products are advertised in good faith and will be available except in circumstances beyond our control. Despite our careful planning, we apologise if selected items may sell out quickly due to unexpected high demand. Intel NUC's are barebone units only and require storage and memory to be added.
