OUTLAW SOUL. REBEL HEART.
MELISSA ENDEAN IS COUNTRY MUSIC WITHOUT
COMPROMISE.

@MELISSAENDEAN

Melissa Endean is the living, breathing definition of resilience. An outlaw country artist with a voice that cuts deep and a story that hits even deeper, Melissa returned to music in 2022 after surviving a painful divorce that left her homeless and raising two young children on her own. With nothing but grit, heart, and determination, she picked up her guitar and started again—from the ground up.

In just two years, Melissa has transformed her life and career, proving that even from the darkest places, you can rise stronger than ever. Her single “Outlaw”, a fierce anthem born from survival and defiance, is now playing on radio stations across Canada and the U.S., and hit the Top Ten on SiriusXM’s Top of the Country.

Melissa’s journey has earned her more than just applause—it’s earned her recognition. She is the recipient of a \$60,000 Canada Council Grant, a selected artist in the Review 5 Mentorship Program, and a multi-time BCCMA Award nominee in categories like Songwriter of the Year, Traditional Artist of the Year, and Emerging Artist of the Year.

Now working with award-winning producer Jeff Dalziel, Melissa is preparing to release four new singles that reflect both the scars and strength of her story. Her songs are more than music—they’re a testimony. And for anyone who’s ever had to start over, Melissa Endean is a voice of truth, fire, and unshakable hope.
