

## Castle Leisure Limited Gender Pay Gap Reporting 2023

The government has introduced new reporting regulations under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017 requiring employers with over 250 employees to disclose their gender pay gap annually from April 2017.

We are required to publish the results on our own website and a government website.

A Gender Pay Gap is the difference in the average hourly rate between all men and women in a Company.

This is different to Equal Pay which is the difference in pay between a man and a woman carrying out the same or similar jobs.

The following information shows the difference between the average earnings of men and women in our organisation but we will not publish any individual employee's data.

<b>Gender Pay Reporting Statistics</b>	<b>Mean (%)</b>	<b>Median (%)</b>
Our gender pay gap between male and female colleagues	21.5%	0.0%
Our gender bonus pay gap	11.4%	48.0%
	<b>Male</b>	<b>Female</b>
Proportion of male and females receiving a bonus payment	19%	10%
Proportion of Male and Female Colleagues in Each Quartile Band		
Quartile 1 (Lowest)	46%	54%
Quartile 2	33%	67%
Quartile 3	29%	71%
Quartile 4 (Highest)	29%	71%

### **Supporting Information**

A positive Mean and Median gender pay gap percentages reflects that Males included in the analysis received higher pay than their female counterparts.

Hourly pay rates are dependent solely on the role, experience and responsibility applicable to the individual and are not influenced by demographic factors such as gender, age or ethnicity.

## **Conclusion**

Castle Leisure will continue to maintain its commitment to delivering equal pay and development opportunities to all employees.

## **Statement**

We confirm that the data and statements contained within this report are accurate and that Castle Leisure Ltd is committed to the principle of gender pay equality.
