Address

7931 W. 55th Ave., Arvada, CO 80002

Profile

Objective I am a retired public school teacher. I am seeking a position as an elementary school teacher.

Availability Immediately

Testimonials (excerpts from emails written by the parents of my 3rd grade students at St. John's, May, 2015)

"Marco thoroughly enjoyed every moment he was in your class. You challenged him to grow as a student, while at the same time being patient with him. We are disappointed that future SJB families will not get to experience your enthusiasm and passion." - Frank and Christine Cavalier

"You make school fun! Caitlyn was excited to go to school in the mornings." - Faby Carmichael

"Rylan had an amazing year with you!!!! He has always liked school and done well, but this year he really blossomed... He used to hate reading and now I find him with his nose in a book!!!"
- Romi Cooney

"Jaxon had such a great year with you! Whenever I was in your classroom I was always amazed at how well you handled all those boys. You did an amazing job at using their competitive spirit as an advantage... Academically, Jaxon had the best year he has had." - Susan Grable

"You really helped open Kyler's eyes as well as ours to the classroom setting he is most productive in. Due to your understanding as well as consistency, Kyler has had a very productive year."
- Renee Pavlik

"You have been a fantastic teacher for both our girls. I sincerely appreciate your patience and kindness." - Gary and Imelda Snisky

Key Skills

Extensive knowledge of curriculum especially at the intermediate grade levels

Excellent rapport with students

Effective classroom management strategies

Multiple technological proficiencies (Webpage design, computer programming, Microsoft Office, etc.)

Adaptable and flexible

Work Experience

Teacher, Douglas County Public Schools

August, 2015 – Date

- ✓ Substitute teach for classroom as well as Physical Education teachers (K-6).

Teacher, St. John the Baptist Catholic Grade School

August, 2013 – June, 2015

- ✓ Engaged third, sixth and seventh grade students in math, writing, literature, science, social studies and religion through the facilitation of higher-order thinking, cooperative learning, and thoughtful discussions.
- ✓ Planned and facilitated several off-campus retreats and service projects.
- ✓ Coached girls' varsity basketball.

Software Developer

August, 2010 – Date

- ✓ Develop iPhone/Android apps for teachers and coaches. (Several are currently available for download on the App Store and Google Play.)
- ✓ Developed, for a school based health clinic in Montrose, an SQL database query to generate a monthly eClinicalWorks custom report.
- ✓ Developed and marketed to substitute teachers a Windows app for procuring jobs.

Teacher, Jefferson County Schools

August, 1992 – May, 2010

- ✓ Received a Walmart *Teacher of the Year* award in 2007 (only 7 were awarded in the district).
- ✓ Engaged sixth, third, and fourth grade (1999-201 students in active, meaningful, and enjoyable learning in every subject area.
- ✓ Regularly integrated technology into instruction including the maintenance of a classroom website, production of a weekly news program broadcast throughout the school, and use of several computer-based enrichment programs such as Acuity, Yearly Progress Pro, and Accelerated Math.
- ✓ Facilitated the Student Leadership Program for several years.
- ✓ Organized and facilitated a successful after-school intramural sports program.

Activities and Interests

Sports Frequent participation in athletic activities; over 20 years of coaching youth sports

Technology Interest in various technologies; maintenance of a personal website
