

# Gladhaven Campground and Marina

## July 2022 Newsletter

I can not believe it is almost mid summer already! We are truly enjoying getting to know you all and look forward to the rest of summer. We have some fun days ahead. Please see the back for 4th of July and Christmas in July information. Unfortunately we will not be setting off fireworks this year. We ask that no camper sets them off as well. They will be set off by Lagoon Saloon down the river from us. We also ask that you are courteous of your neighbors with noise during what we expect to be a busy weekend.

Thank you,

Johnathan, Jennifer, Garrett & Hunter Schuck

### Notice

We apologize that city water is still not hooked up. As a reminder this means that hoses should not stay attached to camper. Please fill holding tank, unhook hose and make sure water is shut off. Thank you.

### Notice

**Please slow down throughout the campground. For the safety of our campers and the integrity of the driveway we are trying to work on. Speed limit is 5 mph from entrance and all throughout. Make sure all of your guests know as well.**

### Reminders

- Make sure to tear down all boxes before placing in the dumpster.
- Please make sure that dogs are contained or leashed at all times. Make sure that they are not constantly barking. Please also remember to clean up after them.
- We have a new ice machine. The top layer seems to be melting during day. I have been trying to work with Home City Ice to fix this issue. Please help by making sure door stays shut completely.
- If the office is closed and you need us please call or text. We don't mind opening up for you!
