January 2022 Newsletter

Hello and Happy New Year! We have been working hard so far to get ready for the 2022 camping season. Some of these things include filling empty spots, tearing down all 3 mobile homes, creating merchandise to sell in camp store and more.

We ask that you please continue to be patient with us this season. We are still learning and we appreciate your input and support.

Thank you,
Johnathan, Jennifer, Garrett & Hunter Schuck
