To Whom It May Concern:

Berghammer Builders has done several projects for the School District of Turtle Lake. In the past couple years they have completely updated the front entrance to the school, remodeled 2 of our bathrooms into a beautiful visitor's locker room, and tuck pointed and reworked an expansion joint. They also did the general contracting for the installation of our greenhouse addition. This included ground work, footings, and sidewalk. Berghammer Builders has always worked around our schedule. They will not cut corners and they take pride in all of their work. I recommend them for any construction project large or small.

If you have any questions, please feel free to contact us.

Sincerely,

Craig Hohlfeld  
Head of Building and Grounds

Kent M. Kindschy  
Principal
