

2023 SPONSORSHIP INFORMATION

The Alberta Paint Horse Club (APHC) is a non-profit organization that is committed to the progressive promotion of programs and activities for Paint Horse enthusiasts. We are dedicated to providing beneficial services to our members as well as opportunities for development of all youth & amateur competitors. For many years the APHC has focused on providing a family-oriented environment, which offers events for all members from the age of two years & up, as well as for those with special needs.

The APHC is a dynamic club; hosting 4 APHA approved horse shows per year at various locations throughout Alberta, which in turn brings hundreds of participants from all over Western Canada and North Western States to various town and cities in Alberta.

APHC is the official host for the Canadian Colors Futurity and the very prestigious Signature Series Futurity.

Planning, promoting and administering shows and futurities is an expensive endeavor and entry fees and stabling only recover a portion of the expenses. We aim to make these shows affordable, fun and accessible as possible for all participants, however in order to do this, we need the support of generous individuals together with the business community.

In return we offer the following benefits:

Brand recognition and many thanks to your business or you personally through our website, Facebook page, newsletters and at our shows throughout Alberta.

Banners: APHC will now be accepting banners from any sponsors who provide one. Sponsors of \$500 and up will have their banner hung in the show arena. Sponsors under \$500 will have their banner hung in the warm-up/barn areas.

Your sponsorship will enhance our program and integrity of our shows as your support provides incentives for youth, amateur and open participants to enter competitions in which they work passionately for.

You will advance the industry as a whole, giving horse enthusiasts a venue to compete with their horses which in turn leads to purchasing of horses, use of trainers, use of hotels, use of services, purchasing feed, tack and clothing and much more.

For additional information and general inquiries please reach out to the APHC Board of Directors
