Hero building

Imagine a development that lives both storeys high and along the shoreline.

Where the land and the lake merge now has a new name: home. Lakeside Residences is where you can witness your reflection in the tranquil waters, and bare witness to the hustle and bustle of a booming cityscape. It's raw and refined. Natural and urban. Home and a destination.

Lakeside Residences is truly changing the waterfront community as we know it.

Developing iconic waterfront districts the world over.

Greenland Group is recognized worldwide for creating iconic landmark communities with dynamic architecture, public areas, cultural amenities, and retail spaces. Driven by a mission to ‘create a better life’, Greenland constantly makes positive contributions to the civic fabric in each city they build, through an immersion with the local arts and cultural identity unique to each place.

Greenland Group’s first Canadian project, King Blue by Greenland, is a 122-key luxury boutique hotel, including 44 and 48-storey residential towers that sits adjacent to the TIFF Bell Lightbox. The vibrant destination will become a new cultural anchor in the neighbourhood, providing a permanent home for Canada’s first theatre museum.

In 2012, Greenland Group embarked on a global expansion, and is now actively building dynamic projects in 13 of the world’s most-coveted destinations including Sydney, New York, London and Los Angeles.

ARCHITECTS

Cecconi Simone Inc.

Cecconi Simone Inc. is an award-winning interior-design practice based in Toronto, Canada, privately owned and operated by Elaine Cecconi and Anna Simone. Established in 1982, Cecconi Simone has designed some of the most beautiful and successful interior environments for the retail, corporate, hotel-hospitality and residential sectors in Canada, the United States, Anguilla, Italy, the United Arab Emirates, Qatar, India and China, including about 80 residential communities in the Greater Toronto Area. Cecconi Simone has positioned itself as an industry leader, designing intelligent, progressive and brand-specific interiors for a diverse cross-section of projects around the world.

Janet Rosenberg
& Studio Inc.

Janet Rosenberg & Studio Inc. is one of Canada's most distinguished landscape architecture and urban design studios. The Studio is recognized for its extensive and award-winning portfolio of work that includes public, commercial, and institutional spaces as well as private residential gardens, green roofs, and condominium towers.

Hariri Pontarini Architects

Hariri Pontarini Architects (HPA) is a full-service Canadian firm devoted to producing work of lasting value. Siamak Hariri and David Pontarini founded the Toronto office in 1994 motivated by a shared commitment to design quality. Today their 120-person practice has a diversely scaled, award-winning portfolio reflecting the HPA mission to craft architectural and urban solutions that exceed expectations, without excess. David Pontarini, Partner-in-Charge of the Lakeside Residences project, focuses on building better cities through quality urban developments that channel the best aspects of their site and program into finely executed architectural and public realm designs. Over the past 31 years, he has built an award-winning portfolio of complex, variously scaled, urban high-rise and mixed-use developments in cities across Canada and the United States. Pontarini's design-led approach to smart development solutions contributes to his reputation as one of Toronto's leading architects, and to the recognition of HPA, by the RAIC, as winners of the 2013 Architectural Firm Award.

As provided in Sections 4 and 28 of the Agreement of Purchase and Sale, the Vendor shall have the right to substitute other products and materials for those listed in this Schedule or in the plans and specifications relating to the Unit provided that the substituted products and materials are of a quality equal to, or better than, the products and materials originally disclosed to the Purchaser. The Purchaser acknowledges that variations from the Vendor's samples may occur in kitchen cabinets, vanity cabinets, floor finishes, wall finishes and other finishing materials as a result of normal production

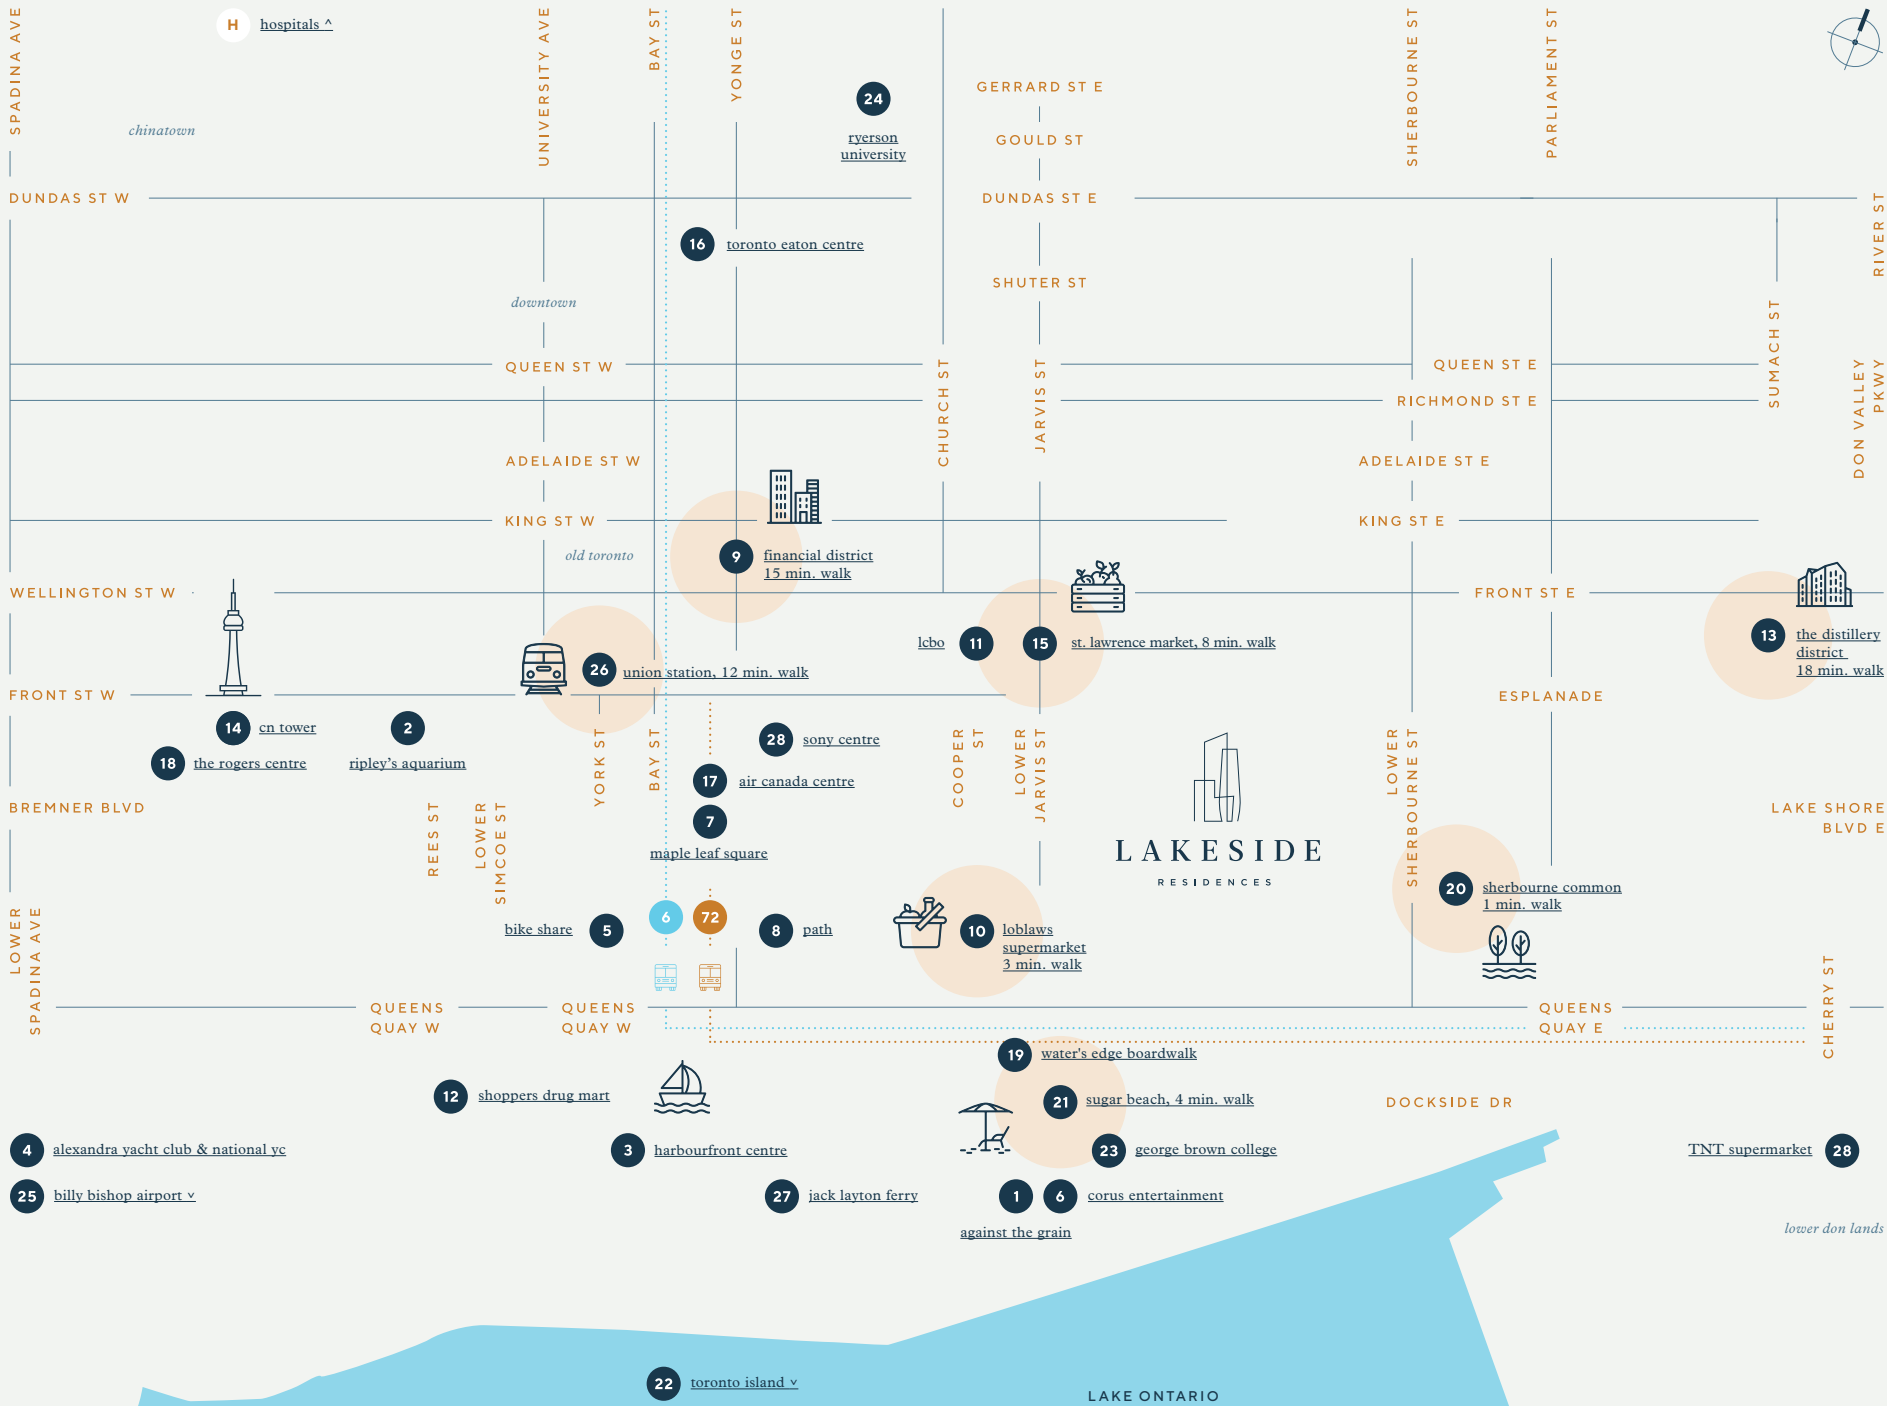

processes. In addition, natural stones and woods are subject to variations in colour, shade, grain, pattern and texture. Tile and broadloom are subject to pattern, shade and colour variations. Seams may be visible when broadloom is laid. Flooring and specific features will depend on the Vendor's package as selected. As provided in Section 4 of the Agreement of Purchase and Sale, the Purchaser agrees to select the interior finish colour scheme for the Unit and finalize all other selections regarding finishing items from the Vendor's available samples within 10 days after notice has been given by the Vendor to the Purchaser regarding selection of finishing items. Subject to compliance with the regulations, by laws and bulletins issued by the Warranty Program, if the Purchaser fails to make his/her selections following notice from the Vendor, then the Vendor shall be entitled to select such finishing items and such selections by the Vendor shall be binding on the Purchaser. The Purchaser acknowledges that there shall be no reduction in the price or credit for any standard feature listed above which is omitted at the Purchaser's request. References to model types or model numbers refer to current manufacturer's models. If these types or models change, the Vendor shall provide an equivalent model. All dimensions, if any, are approximate. All specifications and materials are subject to change without notice. All features and finishes subject to change without notice. The Purchaser acknowledges and accepts that ceilings and walls maybe modified to accommodate boxed in areas for mechanical or other building systems, as per construction requirements. Any furniture layout shown on any brochure, plans, renderings, advertising, or schedules are artist's concept and are not included in the purchase price. Similarly, various decorative items including light fixtures, window coverings, wall coverings and other decorative and upgraded items shown in the sales office and/or model suite are not included in the purchase price.
