CORE COMPETENCIES

- Vocational training in screen acting, content creation, and entertainment business
- Industry-based learning with real-world production experience
- International artist development and U.S. visa-aligned coaching (B1/B2, O-1)
- Scholarships and youth programs supporting underrepresented talent
- Full-service creative production: script to screen

DIFFERENTIATORS

- Led by award-winning filmmakers with alumni featured on Netflix, Disney+, HBO & FX
- Home to intensive **Actors Conservatory** and **J.O. Arts Scholarship**, supporting artist development
- In-house studio supports full-service production and hands-on training.
- Holistic programs emphasizing mental health, branding, career development and business skills
- Programs center on equity, access, and authentic storytelling — including partnerships with film festivals and scholarships for underserved communities.
- Proven U.S.-Australia pipeline for global artist development with a proven visa-aligned curriculum.

PAST PERFORMANCE

- **AACTA Young Stars:** Hosted U.S. training for this national casting initiative; mentored top Australian youth talent
- **Easterseals Disability Film Challenge:** Produced inclusive short under 72-hour deadline; nationally recognized
- **Walk With Sally:** Created three-event video series to support cancer-affected families.
- **Focus On Ability Film Festival (U.S. Expansion):** Led U.S. rollout and global partnerships; strategic production and outreach partner
- **Emerging Artists Filmmakers Festival:** Annual AAFTA-led event spotlighting short films by actors transitioning into filmmaking
- **Diversity Pictures/Diversity Creative Management:** Developed branded content, high quality films and educational storytelling for clients
- **Notable Alumni:** Graduate *Maddy Leane* awarded Best Short Film at Sydney Women's International Film Festival, Graduate *Ned Morgan* starred in *The Survivors* on Netflix. Graduate *Paris Naumovski* received O1 visa following graduation.
