8. AVOIDING SCAMS ON FACEBOOK LIVE

Scammers deceive individuals into giving away their money through fake or compromised social media accounts. Stay cautious to protect Beloved Ministries and Ask In Faith Prayer from these scams.

1. Scammers create fake social media accounts with few friends or followers, no recent posts, or only a couple of photos.
2. Scammers often send unsolicited messages that create a sense of urgency to trick people into sending money for food, diapers, gas, or other needs.
3. Be careful when someone asks for money, through apps like Cash-App or Zelle. Scammers use these methods because they are hard to trace and refund. Stay vigilant and cautious.

Source: Facebook/help

When an unsolicited message is received during the live broadcast, the Broadcast Tech will delete the message from the broadcast and block the sender.

Before the broadcast

Make sure you have the following:

- A **laptop or desktop** with a webcam and mic.
- A recent version of **Chrome or Firefox**.
- A strong internet connection. Just like Skype, you must have a strong internet connection for it to work well. If possible, connect to your router with an ethernet cable instead of using WiFi.
- We recommend wearing **earbuds or headphones** to prevent audio echoes.

If you don't have a laptop or desktop, then you can join on your phone. But the experience is usually best on a laptop/desktop. On Android, we recommend the Chrome browser. On iOS, you must use Safari.

If you're on iOS 14.2, we recommend updating your device before joining. iOS 14.2 has some issues with audio stuttering.

Joining the broadcast

When the time comes, follow these steps to enter the broadcast studio:

1. The host should provide you with a link before the show. Click the link and you'll be taken to their broadcast studio.
2. Allow StreamYard to access your camera and mic.

Let's check your camera and mic

selected.

4. Enter a display name. Use your actual name or the name of your brand. Then enter the studio.

The host will be informed that you've arrived. You won't be part of the broadcast until the host decides to add you in. The page will update to let you know when you've been added. Then everyone will be able to see and hear you. This is your time to shine!

Remember, the host asked you to join because they want to hear what you have to say. Have fun!
