Brousse Vergez has been passionate about fruits since 1946, sourcing the best ingredients throughout the world from its Marseille, France, headquarters.

For more than six decades, we have been sourcing fruits from the finest growing regions around the world. Our long-standing relationships with trusted growers and processors allow us to deliver consistent quality, exceptional taste, and reliable supply all year round.

Today, we proudly offer retailers the opportunity to develop their own private label canned fruit range backed by our experience, expertise, and global network.

WHY PARTNER WITH US?

Global Sourcing Excellence

Over 60 years of international sourcing experience

Premium Quality Standards

Strict quality control systems from raw material selection to final packaging

110 suppliers
30+ countries
35 000+ tons of goods imported

All major supermarket and Cash & Carry chains supplied in France

First-Rate Logistics Management

Efficient, reliable, and cost-effective logistics solutions for smooth deliveries and supply chain continuity

Tailored Private Label Solutions

Your brand. Your design. Our fruits inside. We source and supply the fruits to your brand specifications.

Dedicated Customer Service

Our experienced team supports you from product development and packaging design to regulatory compliance and supply management
