

## **Corporate Sponsorship Opportunities** for Iredell County's Only Child Abuse Prevention Center

### **\$1000 – Go the Extra Mile** Sponsor a Parent Aide's Travel Costs

Sponsor the mileage for a parent aide doing in-home visits throughout Iredell County. By providing free, in-home support to families, we eliminate the barriers of transportation and costs. Your donation at this level would help offset the travel costs of parent aides as they travel to and from visits and make emergency deliveries such as groceries, medicine, and other basic needs to clients. You will receive recognition on our website and social media throughout the year of your sponsorship.

### **\$2500- Be a Class Act** Sponsor a Parenting Class

Help us offer parenting classes to the public! With three class options, we have something for every age and stage of parenting. Choose from Best Beginnings for new parents, Nurturing Parenting for general parenting, or Love & Logic Parenting®. As the class sponsor, your name will be listed with the class title during the year of your sponsorship.

### **\$5000 – Family Matters** Sponsor a Family

Provide a family with a Parent Aide for one year. This intensive program brings the parent aide into the home to provide in-the-moment training and support. We work with parents to establish boundaries and routines, improve parenting skills, and develop a support system. You will receive updates on the family sponsored, a reserved table and recognition at our luncheon, and recognition on our website and social media.

### **\$10,000 – Make an Impact** Sponsor a Program

Our most impactful sponsorship level, program sponsors allow our organization to operate day to day, creating change in homes of children that have suffered from child abuse and neglect. Our Parent Aide Program, Coaching to Permanence, or Family Connections all work to keep children safe, prevent child abuse, and develop happy childhoods. For more information on these programs, visit our website [PharosParenting.org](http://PharosParenting.org). Upon your donation, we will do a press release to local and community newspapers. You will have a reserved table and recognition at our luncheon, as well as recognition on our website and social media throughout the year of your sponsorship. This level of sponsorship also includes a temperament training workshop for your employees/managers.
