**Policy Name:** Small Group Conduct and 8 Max Class Size Policy

**Document Reference:** PE/2026/05

**Version:** 1.0

**Authorised By:** Helen Maduka, CEO

**Effective Date:** 4 May 2026

**Review Date:** 4 May 2027

# Small Group Conduct and 8 Max Class Size Policy

## 1. The 8 Max Commitment

Passion Education Ltd is founded on the principle of high seniority academic attention. We formally guarantee that no core live tuition session shall exceed a maximum of eight students. This restriction is a mechanical necessity to allow staff the time required for real time **Surgical Writing Labs** and individualised feedback.

## 2. Academic Conduct Standards

Because our environment is designed for students seeking **iGCSE** or **11 plus** excellence, we maintain the following conduct standards:

- **Intellectual Presence:** Students must be fully engaged and prepared to discuss their **forensic failure points** during the live session.
- **Professionalism:** The small group setting mimics a high seniority academic seminar. Respectful, articulate, and focused communication is mandatory at all times.
- **Peer Respect:** Students must respect the academic trajectory of their peers, ensuring that the 100% live tuition environment remains collaborative and rigorous.

## 3. The Role of High Seniority Staff

The small group size allows our instructors to act as "academic surgeons". Their responsibilities within this group include:

- **Forensic Auditing:** Reviewing each student's work to identify the specific hurdles preventing mastery.
- **Live Intervention:** Using the small group dynamic to model elite answers and perform "surgery" on student prose in real time.
- **Trajectory Calibration:** Adjusting the pace of the group to ensure all eight students remain on course for their target grades.

## 4. Attendance and Group Integrity

To protect the small group dynamic, consistent attendance is required. Frequent absences disrupt the collective progress of the group and hinder the staff's ability to secure the child's academic trajectory.

## 5. Alternative Provision Excellence

This policy distinguishes Passion Education Ltd from mass market tutoring agencies. Our commitment to small groups is a cornerstone of our **alternative provision**, ensuring that home educated students receive the same or greater level of scrutiny than they would in an elite physical school.
