# 2022 HARVEST

25 YEARS  
SERVING  
MOORE COUNTY

*Gathering today, for the dreams of tomorrow*

**The Harvest** is an intimate evening shared with friends and colleagues, consisting of great food and entertainment, to encourage the philanthropy of donors who support the Moore County Health Foundation.

**The Harvest** will be held Saturday, August 27, 2022 at the Hacienda Garcia located at 839 North Dumas Ave in Dumas, TX. The evening will include a pre-event reception honoring sponsorship level donors, a silent auction, a catered sit-down dinner, and entertainment by the renowned Frontmen, featuring the dynamic voices of 90's country legends: Richie McDonald (formerly of Lonestar), Larry Stewart (of Restless Heart) and Tim Rushlow (formerly of Little Texas).

The Moore County Health Foundation was formed “to promote Moore County Hospital District by improving community healthcare through fundraising, education, and support.” Through the generosity and commitment of community members like you, the Foundation can make a large impact on providing needed support to the healthcare industry in our area.

The Foundation, through generous donations and sponsorships over the past ten years, has raised in excess of \$2MM to help purchase ambulances, a digital mammography system, and a CT radiation reduction system for the District; helped to fund the renovation for the Memorial Nursing & Rehabilitation Center; establish an endowment fund for RN scholarship students in the Moore County area, and provide capital for equipment and furniture for the Moore County Hospital District patient care addition.

The Foundation is currently seeking funds through The Harvest to provide a new resident transportation van to the Memorial Nursing & Rehabilitation Center (MNRC) nursing home. MNRC already provides world-class care to its residents, and now the Moore County Health Foundation seeks to provide an extra touch to allow residents to move around the community safely and comfortably.

Please consider sponsoring and attending **The Harvest** and thank you for supporting the Moore County Health Foundation!
