

The 2023  
*Harvest*

# *The Harvest Entertainment*

## *Century Drive*

The story of Century Drive is both unique and familiar. Brothers often make musical history. From Noel and Liam of Oasis, to the Allman Brothers and the Jackson 5, the world Loves the story and sounds of siblings making music. That's why bassist Lonnie Chapin (Grammy Winner) and his brother Chad Chapin (Grammy Nominated Drummer and BMI Song of the Year winner) knew something was special was cooking when another set of brothers from their same little hometown in Oregon approached them to write some songs.

Brothers Casey Parnell and Corey Parnell are musical powerhouses in their own right, having written hundreds of award winning songs and toured constantly for the last decade. The potential between the 4 of them was staggering. Before they knew it, these 2 sets of brothers found themselves locked up in an East Nashville rehearsal space writing as a band with ease.

Those whiskey fueled all-night sessions produced a sound that is both stage and radio ready. They've assembled a panel of a-list Nashville songwriters to help them hone their songs and style. It's rock and roll energy with country roots. It's stories of romance and rebellion. It's a look, a vibe, and a sound ready to take on the world.

- Excerpt from Century Drive's website

**The Harvest** is an intimate evening shared with friends and colleagues, consisting of great food and entertainment, to encourage the philanthropy of donors who support the Moore County Health Foundation.

**The Harvest** will be held Saturday, August 26, 2023 at the Hacienda Garcia located at 839 North Dumas Ave in Dumas, TX. The evening will include a pre-event reception honoring sponsorship level donors, a silent auction, a catered sit-down dinner, and entertainment by Century Drive.

**The Harvest** goes pink this year to embrace Pink Power for Breast Cancer Awareness and to raise funds for 3D mammography equipment for the Moore County community. We seek to raise \$380,000 and the Harrington Cancer and Health Foundation has started us off already with a \$150,000 grant to assist with the purchase.

Please consider supporting this cause by sponsoring and attending **The 2023 Harvest!**

Thank you for generous support of both the **2023 Harvest** and the Moore County Health Foundation!

## *Sponsor Levels*

### *Pink Lotus*

*Over \$10,000*

- Two (2) Event Tickets in VIP Seating
- Recognition in Harvest Program
- Recognition Banner during the Harvest event
- Recognition Banner on MCHD Premises for one (1) year

The Moore County Health Foundation was formed "to promote Moore County Hospital District by improving community healthcare through fundraising, education, and support." Through the generosity and commitment of community members like you, the Foundation can make a large impact on providing needed support to the healthcare industry in our area.

The Foundation, through generous donations and sponsorships over the past ten years, has raised in excess of \$3MM to help purchase ambulances, a digital mammography system, and a CT radiation reduction system for the District; helped to fund the renovation for the Memorial Nursing & Rehabilitation Center; establish an endowment fund for RN scholarship students in the Moore County area, and provide capital for equipment and furniture for the Moore County Hospital District patient care addition.

The Harvest turns pink in 2023 to raise funds for 3D mammography equipment for the Moore County community!
