MultiSpectra Global Notification regarding Weekend Full-time Internships

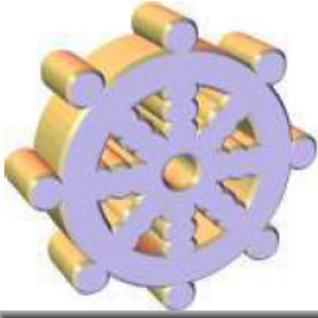

Keeping in view the fact that students are often in need of supplementary education to boost their employability, MultiSpectra Global launches Weekend Full-time Internships starting immediately. The Weekend Full-time Internships will run on Saturdays and Sundays. Hereinafter, the word 'Module' is used to refer to a Weekend Full-time Internship.

A Module will cover two days, Saturday and Sunday. The venue of a Module is the office of MultiSpectra Global in south Kolkata. The timings are 10 am to 12:30 pm and 2 pm to 5 pm on both Saturday and Sunday with a lunch break in between.

A formal certificate will be given to a student at the end of a Module. Subjects of interest to MultiSpectra Global are Civil Engineering, Software Engineering, Water Engineering and Business Management but other students may also be admitted to a Module.

A Module is ideally suited for students in greater Kolkata and in Kharagpur. Other students may also be admitted to a Module if they can arrange for accommodation in Kolkata. A Module may be tagged with Open (Remote) Internship with a Module being at the beginning, at the end or in the middle of an Open Internship or it may be a standalone programme. A student may be admitted to more than one Module and will get separate certificates for each Module.

Dr. Amartya Kumar Bhattacharya
