To the Borough Council of the Borough of
Gentlemen. We the undersigned viewers invited
by your council to view the bridge built across
the D & H Canal near the site of the Brown
and report upon the same. We report to you that
that having carefully inspected said bridge
comparing the same with the specifications we would
say that in our opinion said bridge is built
up to the said specifications in every particular
and that the work is done in a workmanlike manner
and which we hereby respectfully submit

J. E. Mandeville, C. H. Schardt, Henry Reaford, C. S.
Armstrong, J. R. McAndrew, J. J. Oldfield.

The object of Special Meeting. Was, for the Council
to take action, on communication received from
Mr. Geo S. Purdy, Atty. for Borough. The following is the text
of the communication, Mr Rose, claiming the bridge
is not so high, as their others. but says they are going
to raise their others, I do not think they will touch the
bridge, but they may ask the Court for a mandamus.
to compel the Bod. officers. to raise it. and if the
Judge should grant it, you would have to comply
or, appeal to the Supreme Court. This would cost
more than to raise the bridge, Mr Rose says he
thinks if the bridge were raised the depth of the
middle beams it would be sufficient, and that he
thinks it would then be 12 ft above high water
mark. He says if you will raise it, he will run
a scow load of gravel down and leave it handy
for you to fill the roadway at the end.

On motion, C. S. Armstrong, seconded by, C. H. Schardt,
that this Council will not raise said bridge, unless
compelled to by order of the Court, approved.

On motion C. S. Armstrong
seconded by C. H. Schardt, J. E. Mandeville, declared
Special Meeting adjourned.
