1972 SCAT CAT BULLDOG

Sportsmen and adventurers—here it is—the rough terrain three-wheeled vehicle that takes you where the action is. Hunters, fishermen, trail riders, explorers—THIS is the vehicle to get you there. The Bulldog is for all seasons—at home on all terrains, even light snow and shallow streams. Big rear wheels and low pressure tires smooth out the ground, its rugged frame is specially designed for the rough country.

Specifications:

- Heavy duty frame with high clearance construction
- Automotive styled mag aluminum front wheel, low pressure tires on rear
- Hand operated brakes, individual for each wheel
- Variable speed drive to meet all requirements
- Roomy foam cushioned seat for added riding comfort
