STR-Series Tri-Rod is available with a 5 or 8 H.P. Briggs or a 20 H.P. Kohler. You can also get STR with an 8 H.P. Briggs electric start, road legal or a 20 H.P. Kohler electric start, road legal.

TRI-ROD: "FIRST AT THE RACETRACK"

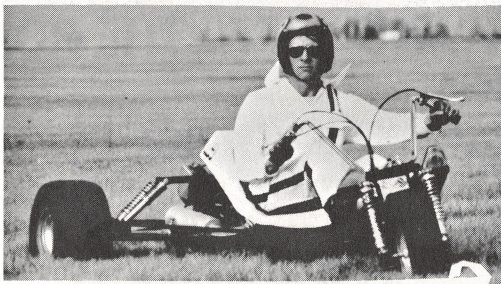

— MODEL: XTR-340 RACER —

— AMERICA'S FASTEST PRODUCTION THREE WHEELER —

XTR-Series Racers are pure-bred winners. Created by Racers and born at the race track, XTR-Series Tri-Rod is the leader of the pack. Low-slung, mid-engine, chrome moly chassis gives super handling on that "Big" track. Dual hydraulic brakes, scatter shield, tether switch, racing clutch, heavy-duty automotive type differential with "cut-tooth" gears, 1" axles and dirt racing tires are all standard equipment. XTR is available with a single 14 H.P. Mac., 290cc Kohler 25 H.P. twin, 340cc Kohler 30 H.P. Twin and also, by special order, a Twin 101 A/A Mac powered machine with tuned chambers as standard equipment.
