the exciting new

ALL FAMILY FUN VEHICLE that out-performs all the rest

SAFE

SPEEDY

MANEUVERABLE

- **RUGGED CONSTRUCTION**
- **COMFORTABLE RIDE**
- **LIGHTWEIGHT**
- **TWO-PERSON CAPACITY**
- **EASILY PORTABLE**
- **LOW COST**

MINI-BRUTE, the "power-trike" that travels on any terrain, anytime of year. So compact you can tote it about inside the average station wagon! Roomy enough for two. Rides with floating action on superflex low pressure tires . . . turns on a six foot radius without skidding or scuffing . . . climbs hills with thrilling speed and traction.

And the MINI-BRUTE performs with the utmost safety. Sturdy body design places weight of riders directly over drive wheels to achieve maximum traction and control. Lightweight fiberglass body plus tire flotation will keep the MINI-BRUTE and rider afloat in water in the event of ice break-through.

Best of all, maintenance is no problem. The special MINI-BRUTE transaxle combines transmission and differential in a single gear-housing containing oil bath to minimize lubrication requirements. Sealed ball bearings support front and rear axles for carefree all-season driving.

"THE FASCINATING WORLD OF MINI-BRUTE"

THE ALL-NEW FAMILY FUN VEHICLE

IDEAL FOR THE HUNTER

Only 46½" wide, with forward and reverse. Now you can get where you could never go before; over the narrowest trails to get the big ones with rifle or camera.

ANYONE CAN DRIVE

Even Mom finds Mini-Brute fun to drive. Second passenger as well as the driver, rides comfortably. Low pressure tires give a super soft ride on rough terrain.

UP! UP! AND AWAY

On the beach or over the trails Mini-Brute packs in tons of fun per pound. No generation gap in a Mini-Brute family. Speed for the teenager yet no worries for Mom and Dad.

OPTIONAL ACCESSORIES

- Mini-Brute Chrome Hand Rails
- Mini-Brute Chrome Front Bumper
- Mini-Brute Tag-along Trailer
- Mini-Brute Cover
- Mini-Brute Hiway Trailer

ENGINE OPTIONS

11½ h.p. 180 c.c. Solo electric and recoil start

A REAL WORK HORSE TOO!

Mini-Brute isn't only good looks and fun, but can be a real work horse for the farmer, logger, commercial fisherman, rancher or you name it. Add the trailer for extra pay-load.

DEPENDABLE AND SAFE

Gets you to your favorite fishing hole. Sturdy, rugged, dependable, safe even for younger members of the family to drive or ride along.

EASILY PORTABLE

Mini-Brute fits easily in the average station wagon. Light enough for one man loading. It's really portable!
