

Better Plates. Better Planet.

At bryt Graphics, we're committed to reducing our environmental impact and supporting our local community through smarter choices, sustainable materials, and giving resources a second life.

OUR COMMITMENT. OUR COMMUNITY. OUR FUTURE.

REPURPOSING TRANSPORT PALLET

We repurpose our transport pallets by donating them to the local community for woodworking projects, benches, fences, planters and more.

**SUPPORTING LOCAL TALENT AND
REDUCING WASTE TOGETHER.**

USING PAPER TAPE INSTEAD OF PLASTIC BASED TAPE

We use paper tape for our parcels wherever possible – a more sustainable choice that's recyclable, biodegradable and easier on the environment.

**A SMALL CHANGE THAT
MAKES A BIG DIFFERENCE.**

REUSING MATERIAL BOXES IN THE COMMUNITY

Our material boxes are donated locally to be used for in-wall insulation and soundproofing in homes, studios and community projects.

**GIVING OUR MATERIALS
A SECOND PURPOSE.**

REDUCING. REUSING. RECYCLING.

We continually look for ways to reduce our waste, reuse where we can and recycle responsibly – building a more sustainable future for our business and our planet.

**BETTER PRACTICES TODAY
FOR A BETTER TOMORROW.**
