Mission-Ready Enterprise IT, Logistics, and Infrastructure Support

A+ Enterprise LLC delivers audit-ready enterprise endpoint support, logistics lifecycle operations, and infrastructure services to federal primes. Founded by a 92A Gulf War Veteran, we apply disciplined logistics standards and workflow automation (BranchOS™) to support compliant execution, rapid mobilization, and operational reliability in mission-critical environments.

## CORE CAPABILITIES

### ENTERPRISE IT & ENDPOINT SUPPORT (PRIMARY)

- Field Technician & OEM-Coordinated Support (Dell / AVASO-aligned)
- IT Asset Lifecycle Management (deployment, refresh, disposition)
- Network Infrastructure & Smart Building Wiring
- Workflow-Driven Documentation & Compliance Support

### LOGISTICS & LIFECYCLE OPERATIONS

- 92A-Standard Warehouse & Inventory Management
- Secure Asset Tagging, Movement, and Material Staging
- Surge Staffing & Rapid Deployment (MO, AR, LA, OH)
- Emergency & Continuity Supply Chain Support

### AUTOMATION & COMPLIANCE ENABLEMENT

- BranchOS™ Workflows:** Automated compliance reporting & tracking
- Real-Time Operations & Revenue Visibility
- Low-Code Federal Workflow Integration
- Audit-Trail Support for Risk Mitigation

### FACILITIES & INFRASTRUCTURE SUPPORT

- Base Operations Support (BOS) & Janitorial Services
- Controlled-Area / Secure-Facility Maintenance
- Facilities Maintenance & Subcontractor Oversight

### WHY PRIMES CHOOSE A+ ENTERPRISE

- EXECUTION DISCIPLINE:** Operations built on U.S. Army 92A standards
- AUDIT-READY:** Documentation structured to support federal audits
- TEAMING-SAFE:** Designed to integrate cleanly under large prime programs
- AGILITY:** Springfield, MO HQ with South Corridor & Midwest reach
- LOW RISK:** Automated tracking reduces administrative errors

## RELEVANT EXPERIENCE

### DEFENSE & INFRASTRUCTURE SUPPORT

- Fort Leonard Wood AIT Barracks — Phase II subcontract support in high-tempo training environments

### ENTERPRISE TECHNOLOGY DELIVERY

- Global OEM Support (AVASO / Dell) — Field technician coordination for SLA-driven services

### STATE & LOCAL GOVERNMENT READINESS

- Active vendor posture across MissouriBUYs, ARBuy, and LaGov environments
