

Technology. Facilities. Execution you can verify.

SBA-CERTIFIED SDVOSB

MISSOURI MBE

MISSOURI SDVE

A+ Enterprise LLC connects technology procurement, facility support, and disciplined contract operations for government agencies, prime contractors, and commercial clients. We combine direct coordination and qualified delivery partners with clear scope ownership, responsive communication, and documented performance from procurement through closeout.

CORE CAPABILITIES

- 01 Technology Procurement & Infrastructure**
IT hardware, software, and peripherals sourcing; OEM/distributor quote coordination; structured cabling, AV, and deployment support.
- 02 Construction & Facility Support**
Recurring janitorial, construction and turnover cleaning; site support; punch-list, service-provider, and specialty-trade coordination.
- 03 Electronic Security & Low Voltage**
Access-control and surveillance-system support; device deployment coordination; field verification and installation records.
- 04 Contract Operations & Automation**
Scope review, estimating, readiness reviews, and vendor coordination; human-reviewed workflows, status reporting, and organized closeout.

SELECTED PROJECT EXPERIENCE

Missouri Veterans Home - Cameron

FACILITY SERVICE COORDINATION | 2026

Coordinated electrical corrections and completed kitchen-equipment diagnostics through specialty providers, with separate purchase-order tracking and supporting service documentation.

Eagle Bluffs | Missouri Dept. of Conservation

RECURRING JANITORIAL SERVICES | 2026

Managed provider coordination and customer check-ins. Customer confirmed consistent service with no complaints or concerns in July 2026.

BRANCHOS | OUR INTERNAL OPERATING METHOD

Human-reviewed workflows connect decisions, action owners, status, and supporting evidence from planning through handoff.
