

# MINE TALENT

# MISSION

To be the mining recruitment agency recognised for our unwavering commitment to sourcing and placing talent within every aspect of the mining industry, from white collar specialists to highly skilled front line operators. We aim to facilitate the growth and success of our clients by providing workforce solutions, while promoting safety, diversity, and sustainability throughout the mining sector.

# CORE COMPETENCIES

**Mining Industry Expertise:** With years of experience in the mining sector, we possess deep industry knowledge and understanding, allowing us to source and place talent with precision.

**Talent Acquisition:** Our team of dedicated recruiters excels in identifying and attracting qualified professionals across all mining disciplines.

**Safety and Compliance:** We prioritise safety in all recruitment processes, ensuring that candidates meet industry-specific safety standards and regulations, eliminating a costly and often disappointing step in the onboarding process.

**Reach:** Our extensive network extends nationally and internationally, enabling us to source the candidates from diverse locations and backgrounds both in surface and underground mining with a focus on white collar and operational specialisits.

**Client-Centric Approach:** We work closely and transparently with clients to understand their specific staffing needs, tailoring our recruitment strategies to meet their unique requirements. We are an open and honest business and at **Mine Talent** our client is not just a customer but they are an active ongoing part of the process, ensuring client satisfaction at all times.

**Diversity and Inclusion:** We are committed to promoting diversity and inclusion within the industry, and we actively seek candidates from underrepresented groups.

At **Mine Talent**, we are dedicated to ensuring our clients are project ready by connecting talent with leading organisations. With our deep industry knowledge, unwavering commitment to safety, and passion for innovation, we stand ready to be your trusted partner in building a workforce that drives success. This is where opportunities meet expertise, and where the mining industry thrives. **Mine Talent's** hands on approach ensures high standards are maintained.
