

To: Tom Russell, President, MVCA

From: Mickey Fenyk-King and Mitch King, MVNFSC

We are members of MVCA and members of the Mount Vernon Neighborhood Friends Steering Committee (MVNFSC). We are aware of community concerns about recent fireworks events and as members of the MVNFSC, we believe it would be helpful to have the attached letter posted to the MVCA website. The letter from Matt Briney (VP, Media & Communications at George Washington's Mount Vernon) is about the fireworks shows at Mount Vernon and addresses some of the concerns raised by neighbors following the late fireworks event on September 30th.

Additionally, please let members of MVCA know that if they would like to receive advance notification of upcoming fireworks, that they can email [events@mountvernon.org](mailto:events@mountvernon.org) and request to be added to their email list.

If you have questions or need additional information please let us know. Thank you in advance.
