

# THE SEALED ONES

In a world unraveling under deception and control, one mother and son discover they have been chosen to endure. Marked by heaven yet hunted by the system, their journey unfolds in a chilling story that mirrors the times we're living in. The Sealed Ones is a prophetic fiction novel that blends suspense, faith, and hope. It challenges readers to discern truth in an age of lies and reminds them that even in the darkest times, God's hand seals and protects His people.

## About the Author

Abby Salinas is a faith-driven author with a prophetic voice for today's generation. Through storytelling, she weaves truth, courage, and discernment into narratives that challenge and inspire. The Sealed Ones is her debut novel in a prophetic fiction series.
