

**St. Augustine Catholic School**  
**Uniform Requirements**  
**2017-2018 Academic Year**

The purpose of a uniform is to establish a more uniformed and identifiable look amongst the student body of a school. It serves to eliminate a “fashion” competition among students and creates a more cohesive bond among the members of the student body. Though no uniform is perfect, our hope is to create a more enforceable expectation of what a uniform is or is not at St. Augustine Catholic School.

**GIRLS**

Basic Uniform: The new uniforms **must** be purchased by **Schoolbelles**. Catalogs are available in the school office. Items such as socks, belts, and shoes may be purchased elsewhere but must be the required colors.

**\*\*\*As pertaining to previously purchased uniforms:** In understanding the additional cost of purchasing a new uniform to comply with a new code, we are allowing parents to continue to use the uniforms that they are presently using as long as the uniform is in good shape and fits all students appropriately. The previous uniform may be worn until it is worn out or no longer fits the student. At which point, all new uniforms must be purchased through Schoolbelles. \*\*\*
