VICE PRINCIPAL SHELBY THEUT

Dear Families,

This is Shelby Theut writing to you as vice principal for the day. As vice principal for the day, I have led prayer and announcements this morning. I visited the classrooms to see what they are doing. I even organized t-shirts with Mrs. Rey and answered phone calls. I like being vice principal because it makes me happy.

Catholic Schools week starts this Sunday, January 28 to celebrate Jesus and catholic schools around the world. A schedule for the weekly activities and dress days were sent home.

Since everyone has been showing good kindness and being caring today, I am going to give a dress down day to students and teachers on Friday, February 9, 2018.

Have a great weekend!

CATHOLIC SCHOOLS WEEK

by Ellen Kauffman, 3rd Grade Teacher

This week the third grade, along with the entire school, are looking to celebrating Catholic Schools Week. Every year, we have a week when we appreciate being able to attend a Catholic School and why it is special and important. The theme this year is "Learn, Serve, Lead, Succeed". We kick off the week by celebrating with all the schools in the Blue Water Vicariate. We all meet at Cardinal Mooney High School in Marine City and begin by celebrating Mass together. Next, we will work on a service project with students from third grade classes at the other vicariate schools. The Cardinal Mooney Students will help with this activity. We will eat lunch together and then enjoy the carnival and bounce houses. It is always a fun way to begin Catholic Schools Week. On Tuesday, our focus will be "Exercising Our Faith". We will have a special fitness program sponsored by our P.T.C. "Sharing our Faith" is the theme for Wednesday. We will have a "Dress-up Day" and celebrate Mass together. Students will be treated to an ice cream social in the afternoon. On Thursday students are able to wear hats to school for "Hats off to Helping". Each grade will choose their own group or cause to support on this day. The entire school will also be working on Chemo Care packages for kids with cancer. We will end the week with "Spirit Day". All students will celebrate the ending of our Catholic Schools Week by having a "Fabulously Fun Friday". Students may wear jeans to school and the teachers will have some fun activities for the students to conclude our week. During this week we always talk about how lucky we are to attend St. Augustine Catholic School, where we are able to celebrate our faith every day. The students share their ideas of why their school is a special place to learn. Our school is very fortunate to have so many caring families that make sacrifices so their children may attend St. Augustine Catholic School, as well as a parish that is very supportive.
