KINDER-GARDEN CORNER

by Ann Perry, Kindergarten Teacher

Next Wednesday is Ash Wednesday and the beginning of Lent. We have begun to talk about this in our Kindergarten class. Each year in Kindergarten we use Lent as a time to “Grow in Jesus”. The children will do an act each day that will help them to become more like Jesus. Some of these acts will involve doing something kind for others. Some acts will be spending quiet time praying or listening to a Bible story. Other acts will be something given up or a special deed being done. The children will get to choose each day what they do. All of these special acts will be written on flower petals, and each day we will add more petals to our classroom flower so we can watch and see how we are growing during Lent. The children get so excited to do these acts so they can see their flower grow! My prayer for each of you is that this Lent season will be a time to pray and grow as well.

Please feel free to stop in for our Open House in March and you can see how we are “Growing in Jesus”!

Thank you for your continued support for our school!
