Old Business

7th and 8th grade scholarship winners will be announced at the last 8th grade mass

Treasurer Report

1. Discussed PTC putting forward \$2400 to fund the lego robotics kit for the school. This was discussed at the SAC meeting. The kit can be reused.
2. PTC will help fund 3rd Grade Math Facts shirts (Maria may have a way to make the shirts)

Field Day and Menu for the event was talked about and who will be volunteering for this. This will be funded by PTC.

New Business

1. PTC reviewed and revised (checked revisions done by Trish Zyble-THANK YOU!)
- 2.. Improving PTC & Helping Recruit and Retain - our kids need to feel special
New families, gift with mentor program-swap bag
"Class of" shirts for new families and provide current students too about \$11/shirt- decided to possibly give one to all the kids. Problem is that they will grow out of them. Give parents the choice to purchase more. Maybe these could be worn on gym days?
3. Discussed creating a letter explaining what the expectations are from a mentor. PTC and mentor will reach out to new family
4. BAND app or GROUP ME app were recommended instead of using Flocknote so we don't have to use text messages. This way you see what's going on and if you don't want to respond, you don't have to, etc.

Open Discussion

Closing Prayer-Hail Mary

NEXT MEETING: PTC END OF SCHOOL CELEBRATION - DATE TBD
