Introductions of New Members/Positions

Reviewed Budget

Old business review

Back to school bash:

- good turn out, balloon guy and face painter had a steady stream of kids but no long lines
- consider having two bounce houses next year - one for smaller kids (may be able to use one owned by Diana) and obstacle course for older kids
- dunk tank was a hit
- snow cones - cheap/easy/guests enjoyed them
- donations to Bottomless Toy Chest + \$100 from left over budget - Jenny Johnstone to drop off in October

Good Ole Days 8th Grade float

- \$200 spent on candy (can never have enough)
- gray candy buckets and large tote purchased and can be used every year.

Teacher's lounge/Survival kits

- good feedback, a little over budget but will even out

New Business

Trunk or Treat - Leah B. and Shelly R. Oct 23 4-6 pm

- mummy wrap, cookie decorating, punch prize, best trunk/best costume prizes
- Donuts and Cider from Pankiewicz Cider Mills
- pizza, chips, drinks (have 50 leftover Capri Sun from B2S Bash)
- Pumpkins donated by Schwehofer's - need help picking and washing pumpkins (Sun Oct 2 1pm weather permitting)

Mom 2 Mom sale Oct 29 8-1

- PTC donation table for people who don't want to buy a table but have a few items to sell, proceeds donated to PTC.
- 3 vendor tables so far, want to keep it at $\frac{1}{3}$ of number of tables
- Maria to find out about advertising on sign in front of church
- Roxann to research charity donation trucks
- still undecided about whether or not to sell concessions (may sell leftovers from Trunk or Treat?)
