

SAINTS WEEKLY

St. Augustine School spreads the good news by Navigating a Christian course, Educating body, mind, and spirit, Worshipping the Lord, and Serving others.

January 10, 2020

Principal's Message

-Mrs. Lenn

Congratulations to our December Students of the Month: James Birkmeier, Kortney Krause, JJ Stachkunis, Sarah Meldrum, Olivia Glynn, Marybeth Klein, Lucile Austin, Victoria Cattivera, and Aaron Newman. We have great students at St. Augustine and they make us so proud!

Here are a few pictures of the winners from the Student Council sponsored stocking raffle:

Lego Robotics has BEGUN! Session 1 is up and running, will continue for 7 more weeks, after school until 4:45. If your 3rd-8th grader is still interested, please fill out this [sign-up form](#). There are 5 spots left in session 1, and 13 spots left in session 2. Students must be signed up to attend.

Parents, we are in need of assistance in preparing our problem solving teams for Academic Olympics. As you may be aware, Mrs. Grifka is currently out on leave, and she usually coaches our students for this event. An event coach DOES NOT have to be a teacher. We have 5th-8th graders who are participating in problem solving, and we want them to be prepared and successful. This year, we need parents to assist in preparing our students. Service credits are available for anyone who chooses to help. Academic Olympics will take place on February 22, so our students should already be starting to prepare. Please contact me if you would like to know more or can help. Thanks.

A reminder about dismissal- if you are parked, please remember to remain parked until students are finished crossing and walking through the parking lot. There have been some cars already moving and driving behind students, or cars driving toward the barrier and then waiting for the safety patrol students to move the barriers. Please wait until the students are safely inside the vehicles and the barriers have been moved in order to pull out of your parking space. Thank you for helping us keep kids safe!

Boys basketball is just starting to practice. Please make sure that your son has an updated physical on file in the office, and has paid the pay to participate fee of \$____. JV boys have received their practice schedule and have practiced this week. Varsity boys had practices scheduled, but unfortunately, Coach Neaton got the flu, and they had to be cancelled. If the boys want to get gym time, they have been invited to play basketball with the girls from 9-11 at Holy Family. Their next team practice will be on Monday, January 13, from 4:30-6:00 at Holy Family. A schedule will be distributed at that time. Please be sure to sign up for the school athletics remind group. The fish fry sign up has already been sent to athletic families through this group, plus any practice cancellations have been sent via the group as well. Again, the code is @ebh3e3 to join.

Camp Meeting

5th and 6th grade parents, please remember to attend the meeting regarding Camp, which will take place this Tuesday at 6:00 in the Library. This is the ONLY meeting we plan to have in regards to camp, so it is very important that you attend to get a packet of paperwork, hear the information directly, and have the opportunity to ask questions. See you on Tuesday.
